STUDENT TESTIMONIALS

The experience of the semester exchange, precisely at JGU, is undoubtedly unforgettable. What makes this programme more exciting is the opportunity to travel with the friends you make. The culture sort of comforts you in a way that you just get immersed in it.

Mr. Harrison Rule
La Trobe University, Australia

Currently representing from IE university, Spain. I chose India for its fascinating culture and diversity. I also chose JGU as I believed its vast sporting and recreational opportunities would allow me to connect with and understand fellow students and because JGU's international affairs office was far more helpful and professional with my enrollment than other universities.

Ms. Susana Vidya Peruzzi
IE university, Spain

I am from FUNDACIÓ ESADE, Spain. India, a land brimming with diversity and boundless inspiration, presents a new and thrilling adventure for me. Though this immersive experience of JGU exchange programme, I aim to gain a multifaceted understanding of India, enriching my worldview and fostering personal growth.

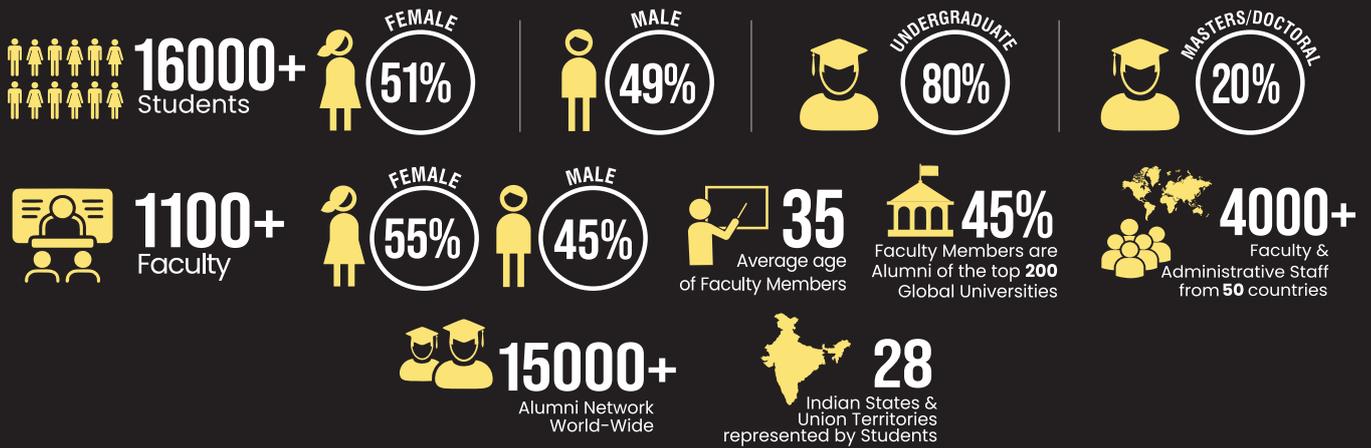

Ms. Lucia Nadal Bonet
ESADE, Spain

Jindal emerged as my top preference for two compelling reasons. Firstly, my longstanding desire to explore India's distinct culture fueled my decision. Secondly, Jindal's esteemed reputation for its exchange program and the staffs solidified my resolve to pursue studies in India. Throughout my time here, I've gleaned invaluable insights through campus engagements and immersive experiences beyond its borders
