

Dear students,

We are glad to see rather high level of a friendly rivalry among you and announce the task for the selection process, which consists of two stages:

- a short writing judicial appeal to the CAS;
- an interview.

For your judicial appeal you should study the attached case used at the similar moot court (<https://www.sportsarbitrationmoot.com>) and you should provide the arguments that appellant may raise at the court. Your appeal must be between 750 and 1500 words in a PDF format.

Imagine you're an attorney of Mr Oliver Atom (Appellant). You appear in court on Appellant behalf without Appellant's presence and there isn't any evidence (you should read the first 4 pages only).

In considering your appeals, we will assess how well you can think about legal issues contained by the case, the quality of your arguments, the structure and logics of your position, the formatting of the document and your English skills.

Please make sure you will send us your CV with cover letters and judicial appeal by 23:59 on 31 December 2022 to sport.law.moot@gmail.com.

Our team wishes you the best of luck, and see you at the interview to be held in early January.
